

Here's the word at Yellow Bird Music Inc.

1. Feel comfortable to openly express concerns or ask any questions you might have.
2. If you or your child are ill or coming down with an illness please do not come to class.
3. Please turn cell phones on silent or vibrate during class time. If you need to answer your phone during class please take your call outside.
4. There are no refunds after the first week of new semester classes.
5. Please do not bring food into class (allergy awareness).
6. Please park only in Yellow Bird Music parking spots in back of YBM.
7. Please no older siblings in younger children's classes. A great option is to bring the whole family to a Family Time Class at YBM.
8. Make-ups are allowed only in the semester in which you are enrolled. No need to call ahead of time if missing or making up a class. There are three different ways to make up a class.
 - A. Come to another age appropriate class anytime during the semester.
 - B. Invite a friend and their child (age appropriate) to be your guest and use your make-up.
 - C. Bring a younger or older sibling to try another Kindermusik class at YBM (this excludes YBM Special Events, Instrumental Lessons, and YBM Choir).
9. Please wait to enter the studio for your class until previous class has finished.
10. Make sure to have fun, sing, dance, laugh and enjoy every moment watching your child grow and learn with the love of music at YBM.
